

## Wild Bill's History

Wild Bill's Buffalo Wings is a family owned business, serving Colorado Springs for over 12 years. We have been featured in Gazette and Go Magazine.

We take pride in our food and our homemade sauces. They are like no other in Colorado Springs.

Please enjoy our hospitality as we let our wings do the talking. We know you'll be back for many years yet to come. So welcome to our family!

Our wings will have you speechless and licking your fingers for weeks. We begin by frying our wings to perfection and perfectly crispy on the outside and juicy on the inside. Then we add one of our sauces of your choice to top it off. What has become the #1 chicken wings in Colorado Springs.
